9:00pm	Reporting changes The school closure date for students has been decided by the Principal Network for Tuesday 25 August 2026 if the reporting day goes ahead. This is so teachers have a day to conduct face to face interviews that are booked with parents regarding their students reports and progress. This change is from the Department of Education and not from the schools. More information will be discussed at the next Principals Network Meeting. This date is for the School Board to note only.
