Early Start Acceptance Form for ATAR Engineering

The practical component of **Year 11 & 12 ATAR Engineering** class requires students to commence class before school. Students must accept the commitment to achieve the practical outcomes of the course.

The procedure and responsibilities are:

1. All students must attend Period 0 – this means a 7.30 a.m. start to the day.
2. Students who do attend the Period 0 may leave school early when they have this class Period 5 (1.25pm). The students will be issued with an Early Leave pass for this day.
3. Students who DO NOT attend Period 0 will:
 - Report to main office (if late) to register their attendance, then return to ATAR Engineering class for Period 1
 - Students **who miss Period 0 will NOT be allowed to access the early leave pass**; they report to student services where they will stay until the end of the day. They may be sent to the library.
4. Ongoing non-attendance may result in the student being withdrawn from the ATAR course.

If parents or students have any concerns, they may contact me at school.

Bill Angus
Program Coordinator – Technologies

Parent and Student Consent Form

We understand this course starts at 7.30am. We agree to follow the procedures and responsibilities required to participate in Year 11& 12 ATAR Engineering Course.
